Throughout this report, we use illustrations of the national flowers from countries represented in Colorado's Latine community.

POLICIES ROOTED IN REPRODUCTIVE JUSTICE

CANTUTA (PERU)

WHY WE SCORE LAWMAKERS

Empowering community, demanding accountability

As the only reproductive justice action fund in the state, COLOR AF takes an intersectional approach to our work by holding elected officials accountable for issues impacting the Latine community in health care, civil rights, economic justice, and immigration.

Why the COLOR AF scorecard is unique:

- It highlights legislative action for reproductive health and intersectional policies that allow our communities to lead safe, healthy, and self-determined lives.
- It informs the community about a reproductive justice-based policy platform and how their elected representatives performed.
- It holds our opposition and our allies accountable to the overwhelming preferences of Latine voters and our communities, who have continually supported progressive reforms.

COLOR ACTION FUND AWARDS

Lawmakers leading toward justice

COLOR Action Fund celebrates two lawmakers who went above and beyond to demonstrate their commitment to reproductive justice values during the 2025 general legislative session, inside and outside the Capitol.

COURAGEOUS PATHFINDER AWARD

Representative Yara Zokaie, HD 52

This year, COLOR Action Fund recognizes Representative Yara Zokaie with the Courageous Pathfinder Award. Representative Yara Zokaie represented reproductive justice boldly as a first-time state legislator, scoring 100% on COLOR Action Fund's Legislative Scorecard. Representative Zokaie continually used her voice to advocate for the rights of our communities and uplift our lived experiences.

REPRODUCTIVE JUSTICE CHAMPION AWARD

Representative Lorena Garcia, HD 35

This year, COLOR Action Fund honors Representative Lorena Garcia as our Reproductive Justice Champion. Representative Garcia demonstrated a standard of values-aligned decision-making, accountability, and communication that we believe other lawmakers should aspire to. We're thrilled to award her this recognition.

VOTES THAT DEFINE OUR COLLECTIVE FUTURE

2025 LEGISLATIVE SCORECARD

Evaluating our elected officials

We score lawmakers' voting performance on our selected bills as they progress through the legislature, evaluating their actions in committees and on the floor. Each bill undergoes multiple rounds of voting, so we carefully and thoughtfully track every vote in every round.

All lawmakers are scored on their votes using grades ranging from "A+" to "F". The bills selected represent COLOR AF's intersectional approach to values-aligned, community-centered policy.

This simplified chart displays a snapshot of the bills we scored. [Click here](#) to review COLOR AF's comprehensive vote tracker with scoring data, or contact our Vice President of Policy, Vanessa Martinez.

Guided by our reproductive justice framework, we also utilize data and findings from the [Colorado Latino Policy Agenda](#) to inform our policy priorities, establish our positions for the legislative session, and keep the community's interests at the forefront.
